Section 4

Nurturing Future Pioneers and Leaders

(Appears in huge font as we scroll down and then further scrolling, will make it smaller and then disappears to make way for the details)

Heading: Celebrating Imagination and Innovation

We are dedicated to nurturing future innovators, pioneers, and global leaders. Our curriculum is designed to ignite imagination & exploration, encourage critical-thinking, calculated risk taking, and inspire out-of-the-box solutions. At Manchester Global School, creativity is not just encouraged - it's celebrated!

Teaching Excellence with Global Best Practices

Heading: Achieving Excellence in Teaching and Learning

We provide academic brilliance infused with global perspectives. Our exceptionally qualified teachers chosen from around the world uphold this promise, empowering our students to thrive in the global community.

Academic Diagnostics

Heading: Focus on Individualised Continuous Learning

Our unique Academic Diagnostic Tests, in core subjects such as Mathematics and Sciences, assess individual student's knowledge, and identify learning gaps through Gap Analysis Reports. Our teachers will then fix those specific learning gaps of each student throughout the academic year.

Join Our Global Community with Core Values

(Appears in huge font as we scroll down and then further scrolling, will make it smaller and then disappears to make way for the details)

Heading: Together, we thrive in a Cultural Melting Pot of Learning and Industriousness

Become a part of our global community of students, educators, parents, leaders, and pioneers who believe in pushing boundaries, embracing diversity, and shaping a better future for the world. At Manchester Global School, we celebrate the coming together of cultures, the industrious spirit of Manchester, and core Indian values.

[ABOUT US]

Home to Inspiring Education and Global Perspectives

At Manchester Global School (MGS), we are dedicated to providing an exceptional educational experience that nurtures and empowers each child. As an International K-12 School, we are proud to offer a unique blend of Indian educational ethos and global best practices. Our motto, **Vidyā Jñānam Prajña (Education. Knowledge. Wisdom)**, encapsulates our philosophy of empowering students with a well-rounded education that goes beyond academics.

VISION

To be an institution of excellence that nurtures Leaders for Society and Industry.

MISSION

- To create an ecosystem that disseminates Knowledge and Wisdom, driven by talented educators who have a core understanding of the holistic growth of young minds.
- To impart comprehensive education and life skills to our students.
- To inspire pioneers in an environment of research, innovation, and entrepreneurship, enabled by state-of-the-art learning infrastructure.

Our team of highly successful global professionals, led by Dr. Kondal Reddy Kandadi, PhD MBE, will bring a wealth of expertise in education, technology, and infrastructure development.

To create a truly international learning environment, we believe it is important to hire the best people from around the world.

Our core focus areas include -

- Team and Leadership

- Communication Skills and Influencing
- Entrepreneurship and Industriousness
- Learning for Life
- Character Development and Holistic Well-being

We will strive to instil these qualities in our students, equipping them with the skills and values they need to succeed in an ever-changing world.

We are proud to offer both - the International Integrated Curriculum and National Curriculum syllabus, allowing our students to choose the educational path that best suits their aspirations and goals. At MGS, we are committed to creating a recognizable brand that is based on our beliefs and key capabilities. Our cutting-edge learning and teaching environment combines use of modern technologies, cutting-edge sports and learning facilities, wellness services, and transportation options. We are dedicated to establishing an environment that is both motivating and nurturing so that each kid can flourish and realise their full potential.

Chairman's Message
(Yet to receive)

About Dr. Kondal Reddy

In addition to serving as Deputy Vice Chancellor at the University of Bolton, Dr Kondal Reddy, Chairman of Manchester Global School, has over 15 years of successful experience in higher education in the UK. The institution undertook a transformational process under his direction, implementing an academic plan centred on student performance, which led to the university's ranking among the Top 50 Universities in the UK. Dr. Reddy holds a Bachelor's Degree in Chemistry, a Master's Degree in Business

Information Technologies, and a PhD that earned him a Global Outstanding Doctorate Award for his research in Knowledge Management.

Dr. Reddy has created significant academic collaborations throughout Asia, Europe, the Middle East, and Africa along with his scholarly accomplishments. He was able to build effective partnerships with a variety of stakeholders, including local governments, because he has a profound awareness of cultural diversity and local knowledge of international education markets. The creation and delivery of cutting-edge educational models, quality control measures, and institutional procedures are all areas in which Dr. Reddy is a specialist. At the University of Bolton, he oversaw significant investments in cutting-edge learning infrastructure, including the establishment of buildings for health, engineering, management, SVFX, and dental technologies.

Furthermore, Dr. Reddy's research interests span areas such as Knowledge Management, Business Process Transformation, e-Business, and Cloud Technologies. He has successfully delivered research projects and has been involved in various professional bodies, journal reviews, and conference presentations. Beyond academia, Dr. Reddy has served as the Chair of the Board at Alliance Learning and as a Director on the Boards of several institutions, including the Centre for Opposition Studies, UK. His long-term passions include widening participation in education, inclusive higher education, SME development, and graduate employability on a global scale.

[INFRASTRUCTURE]

Home to Cutting-Edge Facilities and Futuristic Learning Spaces

CAMPUS

Manchester Global School is a haven of exceptional infrastructure designed to nurture your child's educational journey. Our campus, which spans nearly 20 acres in Hyderabad, offers a peaceful fusion of modernism and tranquillity. The campus is designed to offer a totally immersive educational experience with a proposed built-up area of about 6 lakh square feet.

Our classrooms have been meticulously constructed to promote a motivating and immersive learning environment. Our laboratories serve as cutting-edge centres that spark a desire for inquiry, invention, and problem-solving via the execution of Chemistry and Biology experiments, as well as explorations into the fields of Physics and Robotics.

To ensure the well-being and comfort of our students, Manchester Global School offers state-of-the-art boarding facilities that meet global standards. Our separate hostel buildings for boys and girls can accommodate 600 students, providing a nurturing environment for academic, social, and emotional growth. Our fully-furnished staff building offers more than 50 flats, ensuring our dedicated faculty from around the world feel right at home within our close-knit community.

At the heart of our campus, you will discover our awe-inspiring convention centre, a magnificent structure spanning over 70,000 square feet. The first floor features a spacious dining area for 800 children. On the second floor, our expansive library awaits. Spanning 8,000 square feet and accommodating 250 people, it is one of the largest in India and the largest among international schools in South India. Moving up, the third and fourth floors house an auditorium for 700 people. Finally, on the fifth floor, a breathtaking surprise awaits - our **Sky Observatory and Planetarium**. With telescopes and celestial wonders, it will be the first-of-its-kind in South India for an international school.

As you explore our campus, you will encounter our open-air amphitheatre, a vibrant space that can accommodate upwards of 150 people. It serves as a hub for cultural events, dramatic performances, and community gatherings.

Beyond these key features, Manchester Global School boasts trend-setting infrastructure tailored to empower your child's learning journey. From state-of-the-art sports fields for football, rugby, cricket, swimming, and tennis to arts and design studios, robotics, and gaming and virtual reality (VR) studios, our facilities inspire innovation, exploration, and holistic development.

[CURRICULUM]

Home to Innovative Learning Pathways and Holistic Development

At Manchester Global School, we are dedicated to offering a dynamic and integrated curriculum that will help students succeed in a rapidly changing world. We are carefully crafting our curriculum by combining the esteemed International Integrated and National Curriculum frameworks, offering our students a truly enriching educational experience.

International Integrated Curriculum

Our embrace of the International Integrated curriculum reflects our dedication to catering to the needs of globally mobile families. The International Integrated programme continuum will empower students with a rigorous and consistent high school curriculum that meets international standards. Through an inquiry-based approach, students will develop a deep understanding of subjects, critical-thinking skills, and the ability to adapt to diverse challenges. We will nurture well-rounded individuals who embrace cultural diversity, think globally, and strive to make a positive impact on society.

National Curriculum

The National curriculum will form an integral part of our academic offerings, ensuring a strong foundation for our students. Our teachers will follow the guidelines set by the National curriculum, which prioritise the mastery of subjects and the application of learned skills. Through interactive sessions and practical learning opportunities, we will foster a deep understanding of concepts and encourage students to think critically and creatively. Our focus on teacher training and innovative teaching methodologies will ensure that students receive an exceptional academic experience.

At Manchester Global School, our blended curriculum will empower students to develop a breadth of knowledge, critical skills, and a global perspective. With a balance between the international standards of the International Integrated curriculum and the depth of the National curriculum, we will provide a holistic education that prepares students for future success in both local and global contexts.

[CLASSES]

Home to Engaging Classes and Transformative Learning Experiences

At Manchester Global School, we are committed to providing students an extraordinary educational experience that will set them up for success in life. We will cater to students from Nursery to Grade 12, providing them with a strong foundation for their educational journey. Our prestigious International Integrated and National curricula perfectly integrate, ensuring a seamless transition as your child progresses through each academic year.

IMAGES OF THE CLASSROOMS

Our dedicated team of educators will create a supportive and engaging environment that will nurture every aspect of your child's growth from the very beginning. We understand that education is not just about textbooks and exams, but also about promoting cognitive, social, emotional, and physical development. Through hands-on activities, interactive lessons, and a range of subjects, we will ignite the spark of curiosity within each child, encouraging them to explore, question, and discover the world around them.

However, at Manchester Global School, education is much more than just academics. We will work to instil in your child the values and fundamental life skills that will support them throughout every stage of life. Children will gain knowledge of the value of resilience, empathy, and collaboration in our energetic classrooms. They will have insightful discussions, impart their distinctive viewpoints, and celebrate their individuality. By establishing a secure environment where they can freely express themselves, we hope to give children a sense of community and self-worth.

We understand that as parents, you want the best for your child. That is why we have carefully crafted a thorough curriculum that goes beyond traditional subjects. Your child will delve into the arts, explore the wonders of science, uncover the mysteries of mathematics, and embark on exciting literary journeys. Our goal is to inspire a passion for learning, allowing your child's true potential to flourish.

IMAGES OF LABORATORY, ART CLASSES ETC

[BOARDING]

Home to a Welcoming and Supportive Boarding Community

At Manchester Global School, we recognize the significance of creating a secure and nurturing environment for our students, which is why we are offering exceptional boarding facilities. With

separate hostels for boys and girls, we will ensure a comfortable and homely atmosphere where students can thrive.

IMAGES OF THE BUILDINGS AND FACILITIES

Our boarding facilities can accommodate 600 students and are designed to provide a conducive living space for students, with spacious and air-conditioned rooms that prioritise their comfort and well-being. We understand the importance of constant supervision and support, which is why we will have dedicated floor in-charges/mentors on each level of the building. They will play a vital role in ensuring the safety and well-being of our boarders, providing round-the-clock supervision and closely monitoring their day-to-day activities. There will also be a 5-day boarding option available for parents who choose to keep their kids at home on weekends.

At Manchester Global School, we will strive to create a home away from home for our boarding students, encouraging a sense of belonging, camaraderie, and personal growth. We believe that a supportive boarding environment not only enhances academic achievements but also promotes character development and independence, preparing our students for a bright and successful future.

We understand the importance of cultivating a diverse and inclusive environment. We are proud to offer special facilities that cater to our esteemed International Faculty, ensuring their comfort and well-being during their tenure with us. As part of our commitment to creating a supportive community, we have meticulously constructed a dedicated separate building exclusively for our staff. Nestled within our vibrant campus, this remarkable building boasts more than 50 modern and well-appointed flats, ranging from cosy studios to spacious 1 and 2-bedroom apartments, and even duplex flats. These thoughtfully designed accommodations are specifically allocated to house our overseas and out-of-town academic staff, providing them with a convenient place to stay.

These apartments function as centres for collaboration and cross-cultural exchange in addition to being residential quarters. Our international faculty will get the chance to network with peers from other countries in this tight-knit community and exchange knowledge, concepts, and experiences. The ambiance of our school will be permeated by the rich range of backgrounds and viewpoints, enhancing our students' educational experiences.

We want to improve the entire teaching experience for our faculty by providing them with cosy, well-equipped quarters. We contend that when our staff feel appreciated and encouraged, they can bring their best self to the classroom, motivating and enabling our children to achieve greater heights. A dynamic learning environment where global ideas and cultural understanding flourish will be produced by the easy incorporation of our international faculty into the fabric of our school community.

At Manchester Global School, we recognize that our faculty plays a pivotal role in shaping the minds and futures of our students. By offering these exceptional accommodations, we strive to

create an environment where our International Faculty can focus on their passion for teaching, knowing that their well-being and comfort are taken care of.

IMAGES OF THE SPECIAL BUILDING FOR THE STAFF

[SPORTS]

Home to Athletic Excellence and Thrilling Sports Adventures

In the dynamic world of Manchester Global School, we are eagerly preparing to unveil an array of outstanding sports facilities that will ignite a passion for physical activity and sports in our students. Our commitment to holistic development has driven us to meticulously plan and design state-of-the-art sports spaces that will become a hub of energy, enthusiasm, and healthy competition.

OUTDOOR SPORTS

As the sun shines upon our campus, students will step onto the lush green fields of our outdoor sports facilities, where dreams of victory and camaraderie come alive. Here, they will revel in the exhilaration of competitive sports, hone their skills, and forge lifelong friendships. Our international standard size Football and Rugby ground will witness countless moments of teamwork and extraordinary athleticism. The crack of the bat and the thrill of the chase will echo across our international standard size Cricket ground, where students will perfect their batting, bowling, and fielding techniques. Tennis courts will see graceful backhands and powerful serves, instilling a love for the sport and encouraging healthy competition. The twang of bowstrings and the satisfaction of hitting the bullseye will fill the air at our archery range, allowing students to explore the ancient art and discipline of archery. Two Volleyball courts will become a playground of agility and precision, as students spike, dive, and leap towards victory. And within our Cricket practice nets, young cricketers will refine their skills under the watchful eye of experienced coaches, ready to take on the world with their batting prowess.

IMAGES OF THE OUTDOOR SPORTS FACILITIES

INDOOR SPORTS

But our dedication to sports extends beyond the open skies. Within the walls of our extraordinary indoor sports arena, students will find themselves transported to a realm of excitement and boundless possibilities. The resounding thump of a basketball hitting the hardwood will signal the beginning of exhilarating matches on our full-size Basketball court, where teamwork and strategy reign supreme. The sparkling waters of our indoor all-weather half Olympic size swimming pool, with its eight inviting lanes, will beckon students to dive in, as they glide through the water, mastering strokes and building endurance. The laughter of little ones will mingle with the splashes in our indoor all-weather kids' pool, offering a safe and fun space for our youngest swimmers to discover the joys of water. The rock climbing wall will challenge students to conquer new heights, testing their strength, balance, and determination. And within the walls of our indoor sanctuary, four Badminton courts will witness fast-paced rallies and lightning-fast reflexes, instilling a love for this beloved sport.

IMAGES OF THE INDOOR SPORTS FACILITIES

At Manchester Global School, we believe that sports are not just about physical fitness, but also about fostering essential life skills such as teamwork, discipline, perseverance, and leadership. Our exceptional sports facilities are skillfully designed to provide students with the ideal environment to nurture their athletic abilities, boost their confidence, and instil a lifelong love for sports and physical well-being.

[ACTIVITIES]

Home to Limitless Creativity and Exciting Extracurricular Exploration

Manchester Global School is excited to introduce a wide range of exciting extracurricular activities that will inspire our students' passion and self-discovery. Your child will enter a world of limitless opportunities, where their skills will be developed, their imaginations will fly, and their spirits will soar.

Imagine your child performing in our lovely outdoor amphitheatre while standing under the open sky, their voice resonating in the space. Here, kids can let their dramatic talents run wild while engrossing themselves in the allure of theatre which can accommodate more than 150 people. As they embrace the spotlight, building confidence and expressing their unique voice, their eyes will shine with delight.

The energetic beats in our vivacious dance space will reverberate with the excitement and

energy of young dancers. Your child will dance joyfully as they experiment with many dance genres, from classical to contemporary. Their movements will communicate tales that words cannot, and their bodies will serve as a canvas for self-expression.

Through their time in the music rooms, your child will learn to play instruments, unlocking the secrets of notes and chords that will transport them to new realms of expression. Our passionate music teachers will guide your child on a transformative journey.

The atmosphere in our sound recording studio will be electric as aspiring young artists put their ideas to life. The chance for your youngster to learn about the field of sound engineering, practice with recording methods, and create their own song. Their inventiveness and creativity would be evident in every rhythm and note.

Your child will enjoy learning about the benefits of physical exercise and well-being in our well-equipped gym. Children will engage in energising workouts under the direction of qualified trainers, gain strength, and form lifelong healthy habits.

Our Yoga Room is specially designed to let your child find comfort in the fusion of mind, body, and spirit. The little ones will pick up age-old mindfulness, breathing, and relaxation practices, giving them the skills they need to face life's obstacles with grace and resiliency.

IMAGES OF THE EXTRA-CURRICULAR ACTIVITY FACILITIES

At Manchester Global School, we believe that extracurricular activities are more than just pastimes, they are also doors to self-knowledge and development. Through these events, kids develop a strong sense of community as they join together, help one another, and make connections that last a lifetime.
